What is Arts in the Parks?

Arts in the Parks has been a major program of Arts Place since 1977. Hundreds of students participate in classes each year. The program introduces young people to a variety of visual and performing arts activities. This year workshop sites are being held in Adams, Auglaize, Blackford, Jay and Mercer counties.

Who May Attend?

Most activities are designed for students who have COMPLETED the first grade and older. Some classes have age requirements. Check the class listings for details. There is a modest cost for students to attend, due to the generosity of numerous donors. Scholarships are available. To apply simply fill out the registration form and return it with your payment. Parents are welcome to attend any activity with their children.

What Does It Cost?

All regular daytime classes are \$5 regardless of the class length. For example, *Picking Daisies with April* (Class Code XYZ) is a five-day class and the total cost is just \$5.

Family Time costs **\$5 per family project (up to four people per project)**. Families may choose to do more than one project. **Additional projects are \$5 each.**

Camps cost \$10 for the entire day. Early dropoff and late arrival can be arranged for an additional \$10 (7am-6pm)

How Do I Sign Up?

Complete the registration form and return the original form and payment to Arts Place's Portland Center. Priority will be given to registrations received by May 21st. About Family Time

Family Time returns to Arts in the Parks with an array of classes focusing on a family project that you can work on together.

Make the arts an experience that the whole family can take part in! Enjoy your time together and come away with a project that you've done as a family.

Family Times are being held in many communities. Check your local class descriptions for details.

Family Time costs **\$5 per family project (up to four people per project)**. Families may choose to do more than one project. **Additional projects are \$5 each.**

Look for the family time icon  under the class title.

Family Time in Portland is sponsored by FCC (Indiana).

About Musical Petting Zoo

Summer is a great time to explore new things in the arts. For just \$5 children and teens will try new instruments or experiences in band instruments, strings, or guitar. These introductions to making music will not only enrich your student's musical understanding but will also serve as a means for choosing the proper musical path for your child.

Look for the music note icon  under the class title.

Instruments are being supplied by our friends at Muncie Music Center.

About Arts in the Parks Goes to Camp

Back by popular demand, this program is designed to accommodate families with children who wish to participate in Arts in the Parks, but were unable in past years because of work, daycare and transportation issues.

This year we will hold 20 different day-long camps in 6 different locations. See the Class Descriptions for more about Arts in the Parks Camps.

Camp will take place from 8am-5pm, allowing kids to be dropped off in the morning before parents go to work, and to be picked up in the afternoon. Latchkey is also available before and after camp (see individual camp descriptions for more details)

There will be morning, mid-day, and afternoon sessions in many different media, punctuated by lunch, snack, and recess breaks. Kids will have enough downtime to be relaxed in this creative environment. All supplies and food are provided!

Arts in the Parks Goes to Camp is developed to offer children both a fun experience and an intensive experience in the arts by learning about different media with different artists while creating fun and interesting projects. All this for \$10 a day!

Latchkey is also available before and after camp for a \$10 fee. Snacks are included in this time as well. For a total of \$20, your child can enjoy an extended day at Arts in the Parks.

Fees for Camp include lunch and a snack. Please notify Arts Place if your child has any food allergies.

Look for the camp icon  under the class title.

Arts in the Parks Goes to Camp in Portland and Dunkirk is sponsored by FCC (Indiana).
